fluorochem

Building Blocks
Amino acids
Pyrrolidines
Terminal alkynes
Pentafluorobenzenes
Isoxazoles
Benzimidazoles
Boronic acids
Cyclobutanes
Benzofurans
3-Membered heterocycles
Intermediates
Oximes
Dibromobenzenes
Thioesters
Isonitriles
Indazoles
Oxetanes
Tetrazoles
Quinazolines
Reagents
Glassware
Precision
EPR Tubes
Tubes
Standard
Acetonitrile
Chloroform
Methanol
Dimethyl Sulfoxide
Deuterated solvents
Magnetic Resonance
Accessories
Organic Research Chemicals
Silanes
Fluorosilicates
Silazanes
Siloxanes
Nuclear
Silica Gel
Transition Metals

Service Delivery
the latest novel compounds available
Promoting
Publicising your research group
Commercialising your research
(as voted by chemists)
Best marketing products in the industry
Account analysis tools
Comprehensive training programme
ISO compliant complaints handling procedures
Responsive dedicated Account Managers
IATA, ADR, IMDG compliant packaging
Free shipping for larger accounts
Worldwide
<3 days delivery time to Europe
>80% of UK orders next day delivery
Known Consignor status
Known Consignor status
Full batch traceability
External testing
NMR
Polarimeter
Titration
GC MS
FT-IR
In-house testing
HPLC
Karl Fisher
Melting Point
Products CLP compliant
ISO9001:2015 certified
Real-time stock available online
Largest stocks of novel organic intermediates in the UK
Chemical group concept searching
Reduce chemical browsing time
Punch-out capability

fluorochem

History
Established 1967
10,000 sq ft purpose fitted warehouse
The largest independently owned chemical catalogue company in Europe
