June 2025

Dear Microbiologics Customer,

We want to keep you informed about an important update to our Certificates of Analysis (COA). As we transition to a new Laboratory Information Management System (LIMS), you will notice improvements in the layout and formatting of our COAs. These updates are designed to enhance clarity, ensure consistency, and align with our new system's capabilities. **Please note these changes are cosmetic only.** The data, test results, and analyses included in the COAs will remain exactly the same. The updated COAs will begin rolling out in June 2025.

The following product lines will be affected:

- Epower™
- Epower™ CRM
- EZ-Accu Shot™
- EZ-Accu Shot™ Starved Cells
- EZ-Accu Shot™ Select
- EZ-CFU™
- EZ-CFU™ One Step
- EZ-PEC™
- EZ-SPORE™
- Enumerated Mycoplasma
- KWIK-STIK™
- KWIK-STIK™ Plus
- Lab Elite™ CRM
- LYFO DISK™
- UV-BioTAG™

For a complete list of affected item numbers, please [click here](#).

To help guide you through these updates, please refer to our [Certificate of Analysis Interpretation Guide](#).

If you have any questions or need further assistance, our Technical Support team is here to help. You can reach us at 1.320.229.7064 or techsupport@microbiologics.com.

Sincerely,

The Microbiologics Team
